

Historical Picture Book

20 pts

Your task: Create a picture book (children's book) detailing the most important information from a period in history. The book should be simple enough for a child to understand but should still include important historical information.

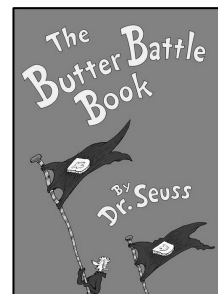

- ❖ The book will have 6 pages each with its own topic.
 - ❖ Each topic will have a drawing (picture, symbol, map, graphic organizer ["bubbles"], etc. that must be colored.
 - ❖ Each topic will have 3 or more sentences written about it.
 - ❖ At least one topic should be about a specific person from this unit.
 - ❖ The topics should be chronological. That is, the events that happened first should be the beginning of the book.
 - ❖ The book should have an ending. Make sure your final topic wraps up the information.
 - ❖ Include a front and back cover. The front cover should have the title and author. The back should have a short summary of the book.
