

# Historical Play

Your task: Write and act out a 3-5 minute play about a specific historic event. You will include a background for scenery (either drawn or projected) and any necessary props. Your play may be funny and take some small liberties with the facts but the basic story must be historically accurate.

Your play must:

- 🎤 Include a written script
- 🎤 Be performed mostly from memory (do not just read your script!) for the whole class.
- 🎤 Be approximately 3-5 minutes in length when performed.
- 🎤 Include backgrounds for each scene (either real or virtual)
- 🎤 Use at least 1 prop or costume
- 🎤 Be historically accurate
