Estimated time to complete: 2-4 hrs

Your task: Create a webpage about a specific topic from this unit.

Instructions:

1. Create a layout on paper that shows where the objects will go on your webpage. Your layout must include:

The screenshot shows a webpage for 'Mr. Roughton's Classroom 2.0' with the tagline 'History?! I love history!'. On the left is a vertical navigation menu with links: Main Page, This Week In Class, Roughton Record, Assignments, Contact Me, AVID, History Unit Guides, Rationale, and Gallery. The main content area features a 'Welcome to the homepage for Mr. Roughton's AVID class!' message. It includes a paragraph explaining AVID (Advancement Via Individual Determination) as an elective program aimed at instilling a desire to attend college. To the left of this text is an image of a globe with a graduation cap on top. To the right is a video player showing a person in a car. Below the video is a 'Quote of the Week' by an unknown source: 'Hatred is like burning down your entire house to get rid of a rat.' Underneath, 'Upcoming Events' lists a 'UCR Tour' on Monday, March 10 from 9 AM to 1:30 PM. At the bottom, it mentions 'UCLA's "I'm Going to College" Feb.17'.
