

# Illustrated/Annotated Map

Your task: Create a map of a historical event that includes illustrations and captions highlighting key information. Your map should be neat and colored.

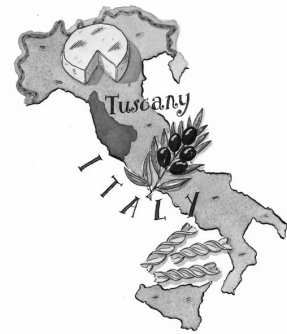

Your map must include:

1. The basic map of your event.
2. Choose a minimum of 5 specific details of the event that you want to represent on your map.
3. Either a picture or a 3 sentence caption for 5 different events. Each item should be in the proper location on the map.
4. A legend and relative scale.
5. Color on the entire map.
